

Donations to Pulling Together Ludlow (PTL)

Donations to support Pulling Together Ludlow's work are welcome.

Any PTL team member or volunteer about to receive donations should explain:

- That donations made will be held in a ringfenced Hands Together Ludlow (HTL) Account
- This is because HTL is a registered charity¹ and PTL is not
- The arrangement enables both HTL and PTL to benefit from Charitable status
- Therefore, PTL monies will be protected and only used for clients affected by self-isolation etc brought about during the corona virus emergency. Such uses will include buying volunteer PPE and expenses, raw materials and printing.

PTL is not expected to continue after the corona virus emergency. At the point where PTL may stand down, agreement will be sought between PTL and HTL regarding the future use of PTL ring-fenced funding.

Several forms of financial donation can be received but some are preferred, as explained in the table below.

If you want to leave a donation at the Methodist Church in Broad Street, please use the grey post box for Hands Together Ludlow and the Methodist Church on the outside wall of the building in the passage to the left of the church up by the side entrance to the building. It is unfortunately a little obscured by scaffolding at the moment but is still accessible and checked regularly.
